## 5. RESOLUTION – REPLACEMENT OF CONSTITUTION

### 5.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of shareholders.

This Resolution is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for an unlisted public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act.

A summary of the proposed material changes is set out in Section 5.2 below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website [www.summitgold.com.au](http://www.summitgold.com.au) and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 6458 4200). Shareholders are invited to contact the Company if they have any queries or concerns.

### 5.2 Summary of material proposed changes

<b>Employee incentive securities plan (Clause 2.4)</b>	Under the new Division 1A of Part 7.12 of the Corporations Act, which came into effect on 1 October 2022, offers under an employee incentive plan that do not require a monetary payment (e.g., zero exercise price options or performance rights) can be issued without an issue cap. However, offers requiring a monetary payment (whether upon grant or upon exercise/vesting of the awards and issue of the underlying shares) must be accompanied by an 'ESS offer document' and must comply with an issue cap. The cap is set at 20% under the Corporations Act unless raised by a company's constitution. A company may include a higher
--	---

	<p>issue cap in its constitution to allow for more than 20% of securities to be issued under the plan.</p> <p>The Proposed Constitution has set the issue cap at 20%.</p>
<b>Capital reductions (Clause 9.2)</b>	The Proposed Constitution now permits sales of unmarketable parcels to a sale nominee(s) as part of a capital reduction.
<b>Direct voting (clause 12.35)</b>	The Proposed Constitution includes a new provision which allows Shareholders to exercise their voting rights through direct voting (in addition to exercising their existing rights to appoint a proxy). Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, Directors must elect that votes can be cast via direct vote for all or any Resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the Directors, the notice of meeting will include information on the application of direct voting.
<b>Use of technology (Clause 13)</b>	The Proposed Constitution includes a new provision to permit the use of technology at general meetings (including wholly virtual meetings) to the extent permitted under the Corporations Act and applicable law.
<b>Closing date for Director nominations (Clause 14.3)</b>	The closing date period under clause 14.3 of the Proposed Constitution has been amended to at least 26 business days (previously it was 30 calendar days) to allow the Company time to issue the required notification for director nominations prior to circulating the notice of meeting.
<b>Dividends (Clause 22)</b>	<p>Section 254T of the Corporations Act provides that a company must not a pay a dividend unless:</p> <ul style="list-style-type: none"> <li>(a) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;</li> <li>(b) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and</li> <li>(c) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.</li> </ul> <p>The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the requirements of s254T of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends</p>

### 5.3 Insertion of partial (proportional) takeover provisions

<b>Overview</b>	A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.
-----------------	---

	<p>Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.</p> <p>In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.</p> <p>A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).</p> <p>This Resolution will enable the Company to modify its Constitution by re-inserting proportional takeover provisions into the Proposed Constitution in the form of clause 35.</p>
<b>Effect of proposed proportional takeover provisions</b>	<p>Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.</p>
<b>Reasons for proportional takeover provisions</b>	<p>A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle and assist in ensuring that any partial bid is appropriately priced.</p>
<b>Knowledge of any acquisition proposals</b>	<p>As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.</p>
<b>Potential advantages and disadvantages of proportional takeover provisions</b>	<p>The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.</p> <p>The potential advantages of the proportional takeover provisions for Shareholders include:</p> <p>(a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;</p>

	<p>(b) assisting in preventing Shareholders from being locked in as a minority;</p> <p>(c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and</p> <p>(d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.</p> <p>The potential disadvantages of the proportional takeover provisions for Shareholders include:</p> <p>(a) proportional takeover bids may be discouraged;</p> <p>(b) lost opportunity to sell a portion of their Shares at a premium; and</p> <p>(c) the likelihood of a proportional takeover bid succeeding may be reduced.</p>
<b>Recommendation of the Board</b>	<p>The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.</p>
